

Employee Spotlight

Silver Saddle recently bestowed **Maria Holliday** with its “Manager of the Quarter” award. With the Ranch for five years, Maria is spa director for Silver Saddle’s Constellation Spa. She is a certified massage therapist and also serves as an events planner and coordinator for the Ranch.

She’s excited to see all the growth at the Ranch and the many improvements since she’s been on board. “This is a great place to work. We have such a great group of people here. Everyone is such a team player and that’s how we have been able to achieve so much change and growth, by working together toward a common goal. I can’t wait to see what’s next!”
