

Silver Saddle Launches Travel Service

Silver Saddle is proud to announce the launch of its new travel service at www.silversaddleranchtravel.com.

Silver Saddle has teamed up with IntelliTrav, a cooperative travel website connected to over 5,000 resort properties throughout the world, to bring you some of the best travel available. Now, because of your membership with Silver Saddle, you can explore affordable rentals in exotic and fun destinations at extremely affordable prices! The new website features over 500,000 vacation condo rental weeks starting at just \$299 a week and you can even get “hot week” bargains for as low as \$99 a week! You can also find savings on hotels, car rentals, airfare, cruises, golf packages and more.

Through negotiated agreements with many major providers of online travel, Silver Saddle has created a website that brings together on one site the same sources you might have spent hours researching before. The site features travel tools, search engines, interactive maps, passports and city guides.
