

The Perfect Valentine's Gift

Pamper that special someone in your life - revitalize him or her with a trip to Silver Saddle's Constellation Spa.

Two of the Spa's treatments are terrific for this time of year. The **Aquarius Salt Glow** uses refined salts from the coast of Brittany blended with essential citrus oils and optimized with soothing algae extract. It deeply cleanses, exfoliates and invigorates the skin.

Our **Nourishing Body Treatment** offers triple benefits: exfoliation, hydration, and nutrition. A skin beautification treatment that utilizes a concentrated plant extract and shea butter from Africa, it leaves the body revitalized, smooth, silky and radiant.

And our special mini-package **Swedish Massage & Nourishing Body Treatment** is the ultimate Valentine's Day gift!

Call the Constellation Spa today at **760-373-0044** to order your gift certificate or schedule an appointment for that special someone.
