# John Phan

Vietnamese native John Phan stumbled upon Silver Saddle Ranch about 10 years ago and he's been finding his way back ever since.

In the States since 1982, John is a certified international property specialist, one of only 1,500 with this designation in the real estate field, so he knows a good thing when he finds one. He's published two books on real estate so far and is ready to publish a third.

"I discovered the California City area about a decade ago and did some research. I found Silver Saddle and I really, really liked it, so I purchased a lot."

John comes up about twice a month from his Orange County home and brings friends and clients along to enjoy horseback riding, the Trap 'n Skeet and just relaxing at the Ranch.

"It's like a mini-vacation. I really like it here. Everyone is really friendly and I've made a lot of friends at the Ranch."

John is thinking about possibly building on his land and has been researching manufactured homes. Whatever he decides to do, he'll keep referring people to Silver Saddle. "It's just a great place to hang out and have fun."

John is helped by the Marian Duecrux team.
