

# New Course Gets Play

The new 18-hole miniature golf course is already a hit with members and guests alike at the Ranch. The course was completed in early March and Ranch guests have been enjoying it ever since. Located near the driving range, the course sports a mining theme with a water wheel hole, a gold mining hole and more.

The course is open from 9 a.m. to 9 p.m. from Friday to Sunday, one of the amenities at the Ranch open late into the evening. The miniature golf course is also open during the week. Consult the Front Desk for hours of operation. The course is free for members. Guests of members enjoy reduced prices.
