

Pumpkin Anyone?

Pumpkin Chiffon Indulgence. It sounds like something you might prepare for a Thanksgiving feast. But at Constellation Spa, it's a recipe for soft, supple skin. Pumpkin Chiffon Indulgence is a light facial peel made with pure pumpkin puree, pineapple extract, honey and green tea.

Pumpkin has the highest concentration of natural Vitamin C and beta-carotene of all vegetables. As a peel, it stimulates circulation, promotes healing and provides vitamin nutrition. It is light and gentle, ideal for all skin types, but especially well suited for sensitive or irritated skin.

After a Pumpkin Chiffon Indulgence peel at Constellation Spa, your skin will feel rejuvenated, soft and supple, free of impurities, and glowing. It's a gourmet treat for your face.

Everyone wants to face the holidays looking their best. A Pumpkin Chiffon Indulgence peel is a great way to start. Contact Constellation Spa at (760) 373-0044 to make an appointment to experience the wonders of pumpkin today.
